Rider Education – How to update your info

By John Bourg, Ass't International Director Database Administrator

Let's talk about your Rider Education information. You can access it through the Rider Education webpage on the GWRRA website (gwrro.org), via the top toolbar "Programs" menu, "Rider Education." The direct link is gwrro.org/regional/ridered/index.html or <http://gwrro.org/regional/ridered/index.html>.

On the left side of the page is a button labeled, "My R.E. Information." Clicking on this button will bring up a login page. Your username is your membership number and your password is a combination of the numbers in your mailing address plus your membership expiration date (MMYY). For example: If your address is 12 W. 6th St. and your membership expiration date is 01/20, then your password would be 120120. Check the front of your *Wing World* or membership card for your membership number and expiration date.

If you need help logging in, click the link, "I need help logging in," at the bottom of the login box. From the "Member Login Help" page, you can also request your password be emailed you.

Once logged in you will be presented with your Rider Education Information. One note, if you log in with your primary membership number and you have a family membership, a list of all membership numbers for your family will be displayed. What are all those acronyms?

When looking at your "Training Courses History," if there is an acronym for a course you don't understand just mouse over the acronym and a description of the acronym will pop up. You can also mouse over "History," to display all your training history or levels history. Get with your Chapter Educator if you find any errors in your information or you participate in multiple Chapters.
